

Financial Analyst Careers at Allstate

Providing Allstate with effective financial analysis and operational performance guidance.

As one of the nation's largest insurance companies, with 70,000 professionals working each day to help protect 17 million households, Allstate relies on the financial analysts in its various internal financial areas to understand business results and identify underlying trends.

The energetic, resourceful individuals on our team work in a high-performance environment. They analyze business metrics and consult with Company leaders to help them make real-time, fact-based decisions. They also serve as liaisons to other departments.

Have these skills? Let's talk.

We're looking to enhance our team with the hands and minds of the right people. We need people who can:

- Manage time wisely
- Be team players and self-starters
- Communicate well, both orally and in writing
- Analyze complex information
- Use Microsoft Office

GOOD WORK.
GOOD LIFE.
