

Last year, nearly 5,000 teens died in car crashes.

MAKING IT SAFER FOR A TEEN TO BE IN A WAR ZONE THAN ON A HIGHWAY.

There are few issues more in need of our united support than stopping the #1 killer of our nation's teenagers: car crashes. **While some states have tried individually to address this epidemic, Allstate believes that a federal law is needed to effectively reduce the number of teen driving deaths.**

SUPPORT THE STANDUP ACT OF 2009

The STANDUP Act* (H.R. 1895) creates a National Graduated Driver Licensing (GDL) law that: limits nighttime driving, reduces in-car distractions, puts a cap on the

number of friends in the car and increases the required hours of training and supervision. **When states have implemented comprehensive GDL programs, the number of fatal crashes among 16-year-old drivers has fallen by almost 40%.**

Let's make sure the STANDUP Act doesn't get buried, or nearly 5,000 more teens could. Tell your congressional representatives that you support the STANDUP Act of 2009. **Go to allstate.com/STANDUP.**

It's time to make the world a safer place to drive. That's Allstate's Stand.
