

make a secure choice

A fully insured PPO plan with more options for small businesses.

With Allstate Benefits Secure Choice, you get:

- Multiple plan options: Gold, Silver, and Bronze levels that include each of the 10 Essential Health Benefits¹ - including preventive and wellness benefits at no cost to plan members.
- Network options: through broad national networks and local, high-performance networks.
- Total care solutions:

Recuro Health virtual care

Recuro Health gives members access to virtual urgent care for minor illnesses and injuries. Virtual behavioral therapy for adults and children ages 10+ is also available through Recuro.

Cancer support programs through Osara Health

An oncologist-designed education, support and a well-being program through Osara Health helps employees take control of their cancer care and achieve better outcomes, getting back to their lives, and work, faster.

Papa Caregivers

Assistance for employees caring for loved ones or themselves, from Papa Caregivers. Every employee who is a covered person under the Secure Choice plan receives 10 hours of assistance annually.
