

managing your group health plan

The Allstate Benefits Group Health Employer Portal

Managing your group health plan has never been easier. With our Group Health Employer Portal, you can securely:

- Make member demographic updates, including name and address changes.
- Add members' dependents to their coverage.
- Send enrollment links to newly eligible employees.
- Terminate members from the plan.
- View plan design, rates and more.

You have automatic access to the Group Health Employer Portal. Here's how to get started:

- Go to employerportal.ngic.com.
- Enter your email address that Allstate Benefits has on file.
- Create your secure password.

It's that simple! You are now ready to manage your account.

Your Allstate Benefits agent also has access to your group health plan information and can perform administrative functions. Please contact your agent to create a plan management strategy and discuss the next steps of the process.
