

FACTS	WHAT DO ALLSTATE BENEFITS AND ALLSTATE HEALTH SOLUTIONS DO WITH YOUR PERSONAL INFORMATION?
Why?	Financial companies choose how they share your personal information. Federal and state laws give consumers the right to limit some but not all sharing. These laws also require us to tell you how we collect, share, and protect your personal information. Please read this notice carefully to understand what we do.
What?	The types of personal information we collect and share depend on the product or service you have with us. This information can include: <ul style="list-style-type: none"> • Name, phone number, home/email address, and other contact information, marital status, and family member information • Social Security number, driver's license number, credit information, and credit scores • Medical information, medical records, and health history • Customer files including claims, payment and transaction history, policy coverage, and premiums
How?	Financial companies need to share customers' and former customers' personal information to run their everyday business. In the section below, we list the reasons companies can share their customers' personal information; the reasons Allstate Benefits and Allstate Health Solutions choose to share; and whether you can limit this sharing.

Reasons we can share your personal information	Do we share?	Can you limit this sharing?
For our everyday business purposes —such as to process your transactions, maintain your account(s), respond to court orders and legal investigations, prevent fraud, or report to credit bureaus	Yes	No
For our marketing purposes —to offer our products and services to you	Yes	No
For joint marketing with other financial companies	No	N/A
For our affiliates' everyday business purposes —information about your transactions and experiences	Yes	No
