

Allstate in Tennessee

For over 75 years, Allstate has been a champion of business and social initiatives to help improve the quality of life for Americans.

We help protect people in times of loss and help them prepare for a financially secure future. In 2005, Tennesseans entrusted Allstate with 166,821 homes and other dwellings, 298,155 autos and 33,164 lives.

Allstate has always been a partner with the communities in which it does business. Here in Tennessee and across the country, our Foundation grants, corporate investments, supplier contracts, jobs and taxes paid in 2005 helped build stronger communities and fuel local economies.

Of course, none of this would be possible without the hard work of Allstate's employees and agents, and the trust the people of Tennessee place in us each and every day. Our partnership with the people of Tennessee is something we take pride in – and something we will continue to do for years to come.

Allstate is a caring, compassionate company. For us, "You're in Good Hands® with Allstate" is more than a company slogan; it's a way of life.
