

Accountancy & Finance Careers

Aoife Mannion

What does an Allstate Accounting Analyst do?

Processing annual, quarterly and monthly financials for all LP's and Real Estate Assets both wholly and jointly owned by Allstate. Done so through analyzing data and reports to balance accounts.

Where do you work?

Complex Assets Team based in Belfast

What interests you most at work?

When I am challenged by a new problem and have to find an alternative solution to reach a resolution.

To you, how does the 'Opportunity of a lifetime' apply to working at Allstate?

Allstate provide an environment that encourages continuous learning, it enables global exposure to the alternative work cultures throughout the world thus expanding your knowledge and creating an accomplished individual. There is an opportunity to grow your career and work in different areas of the Finance Industry, an opportunity that may not be available in a smaller firm. Allstate offer a flexible work life balance which creates an excellent working atmosphere, demonstrated through the current workforce in place. There is a sense of total job satisfaction running throughout the company.

What's one thing people would be surprised to learn about you?

I have a phobia of frogs.

What's the best piece of advice you've received?

Feel the fear and do it anyway.

If you could meet anyone from history, who would it be and why?

Amelia Earhart, to ask her what happened and how she disappeared.
